ACTIVITIES, NEWS & EVENTS

Slough Youth Orchestra, 2018 – 2019.

Each year the Slough Youth Orchestra gets bigger, stronger and better! Are you grade IV + on an orchestral instrument? Next year we have two exciting Youth Orchestra sessions in November and again in March, both led by Tom Horn.

The autumn term dates are: Monday 19th & Friday 23rd November, with a performance on Tuesday 27th November

Further details will be available on our website.

Slough's community choir, The Curve Choir, is for everyone. Led by Gemma Cross, The Curve Choir was set up as a collaboration between the library services, Slough Borough Council and Slough Music Service to provide a community choir that is accessible to all. New members are always welcome and we rehearse at The Curve, William Street, Slough from 6.30 – 7.30pm Thursday's during term time. Do come & sing with us!

The Slough Music Centre If you play an instrument and would like to join a band with likeminded musicians from across the borough and play in termly performances then visit our website to sign up or come along to Beechwood School at 3.50pm for a 4pm start on a Thursday, from 27th September. The music centre is open to any instrumentalist or singers aged 7 and above. Sign up at www.sloughmusicservice.co.uk

The music service was very pleased to be able to offer schools a **'Musical Diversity Grant'** again this year. We offered every school the opportunity to apply for up to £1000 of funding. The grant was offered to achieve greater participation and inclusion in and through music as Slough is one of Britain's 'pluralist towns', where no ethnic group is in the majority as it is essential that schools are supported in developing multicultural music education practices.

Please visit our website to see the full calendar of events for the forthcoming academic year, it is updated regularly so check back now and again.

I wish you the very best for the summer holiday and look forward to making music with you next academic year.
